

# PRO 2300 VACUUM SEALER

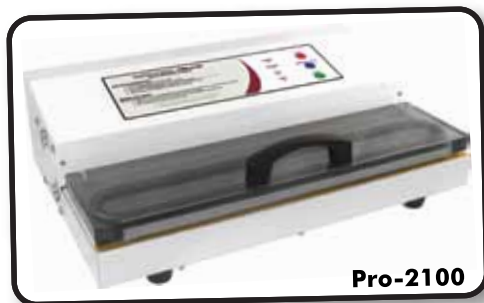

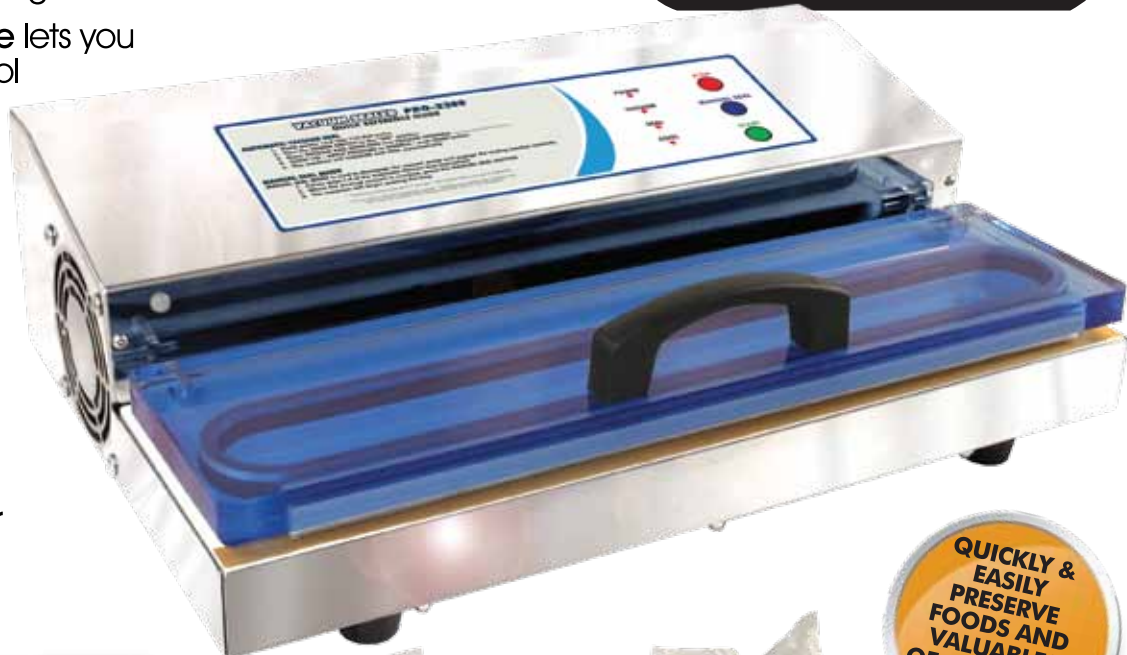

## FOOD PACKAGING SYSTEM

- Commercial-grade Vacuum Sealer with an extra large Teflon Bar for sealing bags up to 15" (38 cm) wide
- Double piston Vacuum-Pump delivers 28" HG vacuum strength with 935 watts of power
- Heavy-duty construction for top-of-the line performance
- Preserve foods 5-6 times longer than traditional methods
- Easy to use, bright LED lights let you monitor the stages of the sealing process
- **Automatic Mode** has simple one-touch operation...let the onboard computer handle the rest, from vacuuming to sealing
- **Manual Seal Mode** lets you customize & control the amount of vacuum pressure desired for sealing soft foods, photos, valuables or delicate objects
- See-thru Acrylic Vacuum Lid for perfect bag alignment while sealing
- Fan-Cooled Motor

Detachable Power Cord and Convenient Storage Compartment
